Dear Parent/Guardian:

Congratulations! Your child has been selected to participate in the Senior All-County Music Festival. There were many students recommended, but only a select few can participate, and it is an honor to be chosen. Your child will be joining some of the best student musicians in Rockland County. This year's Festival will take place on **Friday, January 10, 2020** and **Saturday, January 11, 2020**. It will be held at **Ramapo High School**. Please contact your music teacher for information regarding transportation.

Along with honor comes responsibility. All students participating in the Festival are **required** to be present at **all** rehearsals and must attend for the **full length** of each rehearsal. There will be no exceptions for **any** reason. For security reasons, no student may leave the school during the Festival.

Prior to the weekend of the Festival, music teachers will be meeting with students to help them prepare the Festival music. Students must also practice outside of the regular school day, and are expected to prepare and learn their music before the first rehearsal.

The All-County Festival provides a challenging and rewarding experience for those who participate. Students are reminded that their school districts are judged by their conduct and performance at this Festival and are expected to act responsibly and respectfully.

Please check your calendar to be sure your child can attend all rehearsals and the concert and notify your music teacher if your child cannot attend, so that a qualified alternate can be selected. If your child can participate, please sign the attached contract and return it to your music teacher. **Your child cannot attend without this contract being signed.** Details regarding the Festival are included with this letter. Any other questions you may have should be addressed to your child's music teacher.

Again, congratulations on the achievement of your child. We are all looking forward to a challenging and rewarding weekend of music.

Sincerely,

The RCMEA Executive Council
